Precision for health

seca 645 – multifunction hand rail scale III

- Extra large, low level platform for the larger patient
- Sturdy handrail for those in need of support
- Add chair for comfortable seated weighing
- Optional accessory: 223 Height Measure
- Mains/Rechargeable operation
- BMI (Body-Mass-Index) facility
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g
- Functions: Automatic switch-off, pre-TARE, TARE, HOLD, weighing range switch-over, BMI, damping
- Optional: RS232 interface seca 460, measuring rod seca 223

seca 223 – telescopic measuring rod for hand rail scale

- Easy to fit measuring rod (fittings included)
- Converts the hand rail scale seca 645 into a real multifunction talent
- The determined height can be entered directly into the display of the seca 645 so that all relevant data is captured and can be used to determine the BMI.
- Measuring range: 15 – 230 cm
- Graduation: 1 mm

seca 685 – digital multifunction scale III

- Safe weighing for standing, seated, or even wheelchair weighing
- Large platform with stable hand rail and integrated fold away seat
- Pre-TARE, TARE, BMI and HOLD functions
- Swivelling display at convenient level for ease of reading
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g
- Functions: Pre-TARE, TARE, HOLD, BMI, damping

seca 635 – platform and bariatric scale III

- Large platform (60 x 60 cm) with high capacity
- Low level non-slip platform (only 4.5 cm high)
- BMI feature and carry handle
- Cable remote digital display for table or wall mounting
- HOLD, TARE and pre-TARE functions enable supported or seated weighing
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g
- Functions: Automatic switch-off, pre-TARE, TARE, HOLD, weighing range switch-over, BMI, damping
- Optional: RS232 adapter set seca 460, stand for cable remote display seca 472

seca 460 – RS232 adapter set for connecting to PC/printer

This adapter set makes it possible to connect a seca scale directly with a computer or printer.

seca 677 – wheelchair scale with side handrail III

- Especially large slip-resistant platform for chairs and wheelchairs
- Robust side handrail for supported weighing
- Platform folds to side for easy transport and storage on smooth running castors
- Sturdy locking device ensures the scale stands safely when folded
- Shallow, self adjusting ramps allow easy patient access to platform
- Convenient pre-TARE, HOLD and TARE functions
- Useful BMI calculation facility
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g

new

seca 665 – digital wheelchair scale III

- Determines patient weight whilst seated in wheelchair
- Shallow, self adjusting ramps allow easy patient access to platform
- Safety rails and non-slip surface for patient security
- Weight of wheelchair deducted by pre-TARE function
- Memory storage for weights of wheelchairs
- Easy and safe to transport folded up on castors
- Powered by mains/rechargeable battery
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g
- Functions: Automatic switch-off, pre-TARE, TARE, HOLD, weighing range switch-over, damping
- Optional: RS232 adapter set seca 460

seca 675 – digital platform scale III

- Low level, high capacity portable weighing platform
- Handle and castors to facilitate transportation
- Cable remote display for hand-held or wall mounted operation
- TARE, pre-TARE and HOLD features
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g
- Functions: Pre-TARE, TARE, HOLD, BMI, weighing range switch-over, damping
- One integrated ramp
- Optional: Optional second ramp, stand for cable remote control seca 472, RS232 adapter set seca 460

seca 657 – platform scale for stretchers and trolleys III

new

- Generously sized platform copes with chairs, wheelchairs, stretchers and trolleys
- Cable remote display with easy to read LCD figures
- Innovative memory-function for 'before & after' weighing
- Convenient pre-TARE, HOLD and TARE functions
- Useful BMI calculation facility
- Smooth running castors and integrated handles for mobility
- Shallow, self adjusting ramps allow easy patient access to platform
- Capacity: 300 kg (= 47 st)
- Graduation: 100 g < 200 kg > 200 g

Stand sold separately

Stand sold separately

seca 959 III . seca 958 III – digital chair scale

- Highly portable on four wheels
- Two brakes for patient security
- Unique adjustable footrest for patient comfort
- Swivel arms for ease of access
- Clear digital display angled for user
- RS232 option
- Mains/Rechargeable operation
- Capacity: 200 kg (= 31 st)
- Graduation: 50 g < 150 kg > 100 g (seca 959) / 100 g < 100 kg > 200 g (seca 958)
- Functions: Automatic switch-off, TARE, HOLD, BMI

seca WB939 – digital weigh beams III

- Portable beams designed for easy wheelchair access
- Rechargeable battery for up to 30 hours continuous use
- Aluminium construction with hinged ramps
- HOLD function
- TARE facility
- Capacity: 300 kg (= 47 st)
- Graduation: 200 g
- Beam Weight: 8.5 kg
- Beam Dimensions: 1,230 x 400 x 70 mm
- Optional: seca WB939 case set consisting of two beam cases and one display bag

seca HW941 – digital hoist weigher III

- Attaches to most hoists for weighing and handling
- Up to 23 hours continuous use fully charged
- Spring safety device stops harness from coming away
- BMI (Body-Mass-Index) facility
- HOLD function
- Capacity: 200 kg (= 31 st)
- Graduation: 100 g
- Weight: 9.3 kg
- Optional: seca HW941 transport case

Multifunction and wheelchair scales

seca 645 CE 0109
 Large hand-rail scale for multifunctional use with fixed hand rail, high load capacity and BMI function
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions (WxHxD) 750 x 1,140 x 750 mm
 Dimensions/platform 600 x 45 x 600 mm
 Weight 24 kg
 Power supply mains adapter / rechargeable batteries
 CE approval class III
Price £ 1,050

seca 223
 Telescopic measuring rod for seca 645

seca 635 CE 0109
 Large platform scale with cable remote display and high load capacity
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions/display (WxHxD) 292 x 85 x 110 mm
 Dimensions/platform (WxHxD) 635 x 45 x 640 mm
 Weight 17 kg
 Power supply batteries / mains adapter optional
 CE approval class III

seca 685 CE 0109
 Digital multifunction scale with stable railing and high load bearing capacity, mobile with integrated castors
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions (WxHxD) 910 x 1,100 x 965 mm
 Dimensions/platform (WxHxD) 800 x 65 x 850 mm
 Weight 54,5 kg
 Power Supply mains
 CE approval class III

seca 460
 RS232 adapter kit for transmitting data to the serial interface of a PC or printer for seca 685, seca 657, seca 677, seca 645, seca 635, seca 665 and 675
 Serial interface RS232
 Dimensions (WxHxD) 103 x 26 x 62 mm
 Cable length 1.15 m
 Weight 120 g

Multifunction and wheelchair scales

seca 677 CE 0109
 Electronic wheelchair scale with large platform, robust railing and transport castors
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions (WxHxD) 951 x 1,107 x 965 mm
 Dimensions/platform (WxHxD) 800 x 51 x 965 mm
 Weight 34.5 kg
 Power supply mains adapter

seca 665 CE 0109
 Electronic wheelchair scale with high load capacity; can be folded up and transported on castors
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions (WxHxD) 1,102 x 911 x 1,150 mm
 Dimensions/platform (WxHxD) 800 x 65 x 985 mm
 Weight 30.3 kg
 Power supply mains adapter / rechargeable batteries
 CE approval class III

seca 665 C CE 0109
 As 665 with **Smartcard-Station**, 6 card holders and 6 cards

seca 675 CE 0109
 Electronic flat scale of high load capacity, with castors for transportation
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions/display (WxHxD) 198 x 55 x 157 mm
 Dimensions/platform (WxHxD) 800 x 46 x 965 mm
 Weight 25.5 kg
 Power supply mains adapter
 CE approval class III

seca 675 C CE 0109
 As 675 with **Smartcard-Station**, 3 card holders and 3 cards

Multifunction and wheelchair scales

seca 470
 Roll on ramp as accessory for seca 685, seca 675 and seca 675 C
 Dimensions (WxHxD) 805 x 29 x 250 mm
 Weight 1.6 kg

seca 450
 3 Smartcards and 3 card holders
 Dimensions (WxHxD) 95 x 95 x 15 mm
 Weight 400 g

seca 657 CE 0109
 Electronic scale with large platform for trolleys on wheels, with integrated transport castors
 Capacity 300 kg
 Graduation 100 g < 200 kg > 200 g
 Dimensions/display (WxHxD) 198 x 55 x 175 mm
 Dimensions/platform (WxHxD) 800 x 51 x 1,470 mm
 Weight 43.6 kg
 Power supply mains adapter

Chair scales

seca 959 CE 0109
 Electronic chair scale with swivel armrests and fold away foot rests. BMI function
 Capacity 200 kg
 Graduation 50 g < 150 kg > 100 g
 Dimensions (WxHxD) 565 x 920 x 810 mm
 Weight 24.5 kg
 Power supply mains adapter / rechargeable batteries
 CE approval class III

seca 958 CE 0109
 Electronic chair scale with swivel armrests and fold away foot rests. BMI function. RS232 version available
 Capacity 200 kg
 Graduation 100 g < 100 kg > 200 g
 Dimensions (WxHxD) 565 x 920 x 810 mm
 Weight 24.5 kg
 Power supply mains adapter / rechargeable batteries
 CE approval class III

Special purpose scales

seca WB939 CE
 Capacity 300 kg
 Graduation 200 g
 Beam Size (WxHxD) 1,230 x 400 x 70 mm
 Beam Weight 8,5 kg
 Power supply mains adapter / rechargeable batteries
 CE approval class III

seca WB939 Case-Set
 Set of 3 cases for seca WB939. Consists of two beam cases and one display bag

seca HW941 CE
 Capacity 200 kg
 Graduation 100 g
 Weight 9,3 kg
 Power supply mains adapter / rechargeable batteries
 CE approval class III

seca HW941 Case
 Case for transporting and storage of the seca HW941.

Valid from 18th February 2008. Former prices are hereby cancelled. Please state complete machine specification when ordering where options are indicated.
